

Ready to start your new career in tech?

**Become part of an
exciting partnership**

**With NuPaths & Tech
Quest Apprenticeship!!**

Pre-apprenticeships and apprenticeships are no longer limited to the trades! Today, pre-apprenticeships and apprenticeships are being used across high-demand fields including healthcare, cybersecurity, biotechnology, and information technology.

Clark University's Tech Quest Apprenticeship (TQA) is an initiative funded by a grant from the U.S. Department of Labor. TQA works with national partners, including **NuPaths**, to create training opportunities in IT and IT related occupations.

NuPaths and Tech Quest Apprenticeship can provide the skills and job opportunities needed to succeed at little or NO cost to you!

- Receive funding support for tuition, laptop and/or additional equipment
- Get certification exam retake funding support, if needed
- Gain new skills and knowledge
- Earn industry recognized credentials and certificates
- Receive the support you need to achieve your goals

- ✓ **Develop your IT or related tech skills through hands-on experience**
- ✓ **Learn from industry professionals**
- ✓ **Increase your future earning potential**

Tech Quest and NuPaths are excited to serve you in meeting your training & employment goals!

Enrolling in Tech Quest Apprenticeship

Because TQA is a federally funded program, age and eligibility to work in the US must be verified and documented.

Step 1:

Collect and scan or take a picture of the following documents:

- Driver's license or other state/federal issued ID
- Social security card
- Proof of veteran's preference, if applicable (e.g., DD- 214)
- Resume (although not required, it may assist in determining eligibility)

** If you are missing anything listed above or need help, please contact us for further assistance at techquest@clarku.edu as you will need to have these documents readily available to upload in Step 2*

Step 2:

Register on TQA's secure Online Application System by scanning the **QR code below** or [click here](#) to complete the TQA Application.

*You will need to upload the documents identified in Step 1 below your contact information on the screen (as shown here) to complete the application
